

REQUEST FOR YOUR ASSISTANCE

Dear Members of Galilee Community:

Thank you for your ongoing support as the Board of Directors navigate the sale of a section of the Galilee Centre lands to Cavanagh Communities. We have received much positive feedback regarding the sale and we are grateful.

Galilee Centre approached Cavanagh Communities to undertake the purchase of a section of land due to their strong community focus and their vision to build complete communities where the quality of life for all is supported in a range of ways. They have a solid positive reputation for designing communities on a human scale and for this reason we believe they are a good partner for Galilee Centre and the Town of Arnprior. We are excited to be working with them as partners.

We would like to provide to Cavanagh Communities an expression of support from our community members and partners. The sale of the lands will assure the continuation of our operations, and this expression of support is a way for our community to acknowledge Cavanagh Communities as a desirable partner with which to move forward.

If you have not done so already, we encourage you to share your messages of support directly to Cavanagh Communities by email to Pierre Dufresne: PDufresne@thomascavanagh.ca

One or two sentences expressing your support for Galilee Centre and why you believe it is important to continue the mission and vision of the Centre would be sufficient. But please do write more if you feel you would like to do so.

David Perrin, President of the Board of Directors
